Gun Facts.

Gun Facts™ debunks common myths about gun control. It is intended as a reference guide for journalists, politicians and anyone interested in learning about gun control facts and restoring honesty to the debate about guns, crime, and the Second Amendment.

The menu links above, and the free Gun Facts e-book (buttons on the right) provide over 100 pages of indexed information. Divided into chapters based on gun control topics (assault weapons, ballistic finger printing, firearm availability, etc.) makes finding information about gun control facts is quick and easy.

Each chapter lists common gun control myths, then lists a number of documented and cited facts (with over 530 detailed footnotes) from quality sources including government databases, peer reviewed studies, and more. Thus when a neighbor, pundit or politician repeats some sound bite about gun control policy, you can quickly find that myth then rebuke with accurate information.
